The Maryland Standardbred Race Fund Advisory Committee was introduced in 1971 (Chapter 771, Acts of 1971). The Committee assists and advises the Maryland Racing Commission on the administration of the Standardbred Race Program, the Standardbred Race Fund, and the Standardbred Sires Stakes Program. The Standardbred Race Fund is supported by an assessment on each harness track licensee of a portion of the mutual pool of all its horse races during the year. The Fund is then used as a purse for races involving standardbred horses.

The Committee consists of five members. Four members are appointed to four-year terms and the

chairperson to a one-year term by the Maryland Racing Commission with the approval of the Secretary of Licensing and Regulation. Two members are nominated by the organization representing a majority of the standard breeders in Maryland, and one is nominated by the Cloverleaf Standardbred Owners' Association. One member is a commercial breeder, one is a harness track licensee, and one is a member of the Maryland Racing Commission. Authorization for the Committee continues until July 1, 2001 (Code 1957, Art. 78B, sec. 17A).
